

Warehouse Technician

Job Type: Permanent, Full Time, 42.5hrs per week (including paid lunch break)

Location: Marlow, Bucks

Hours: 9.00am – 5.30pm

About Us:

Founded in 2001, Siyan Ltd is a design and rental company servicing concerts, tours, festivals and special events. We are currently relocating to Marlow, just a stone's throw from the River Thames. We supply events across the UK, Europe and beyond all year round. We have an extensive stock of lighting, video and rigging equipment, our own vehicles and a team of around twenty staff.

Our people are at the heart of everything we do, so we'll work with you to understand and achieve your career goals, helping you to develop your career within a professional and friendly environment. We offer private medical insurance to all employees.

About The Role:

We are looking for proactive and efficient people who would like to work in a busy but friendly environment. The role would involve work in the following areas:

- Counting equipment onto and off jobs, packaging it neatly into flightcases for hires, or putting it back in the correct part of the warehouse when it returns.
- Testing, cleaning and coiling cables.
- De-taping and cleaning truss.
- Painting truss and other metalwork as required.
- Assisting with loading and unloading of trucks.
- Carrying out stock checks and assisting with company stock control procedures.

Our standard working hours are 9-5:30 (including a 30 minute paid lunch break). Due to the nature of the entertainment industry, some overtime will be required, including early starts, late finishes and weekend working.

About You:

Essential:

- Attention to detail and high standards of workmanship
- Good level of written and verbal communication
- Numerical skills (a large part of the job involves accurately counting items)
- Ability to load and unload trucks and carry out other manual handling tasks safely
- Flexible attitude to overtime as required, including some late nights, early mornings and weekends
- Ability to work under pressure and meet critical deadlines
- Ability to follow company H&S procedures and safe systems of work

Desirable:

- Basic electrical knowledge
- Counterbalance forklift license
- Full UK driving license
- Previous experience in the entertainment industry
